

silhouette CAMEO

The Silhouette CAMEO™ is an electronic cutting tool that connects to your home computer just like a printer. However, rather than printing images, the Silhouette cuts out designs and text.

What can you do with your Silhouette CAMEO™?

- Cut fonts already installed on your computer
- Resize designs and text from 1/4" to 12" wide and 10' long
- Cut a variety of materials from cardstock to fabric
- Download new designs 24/7 from the Silhouette Online Store
- Choose from thousands of cuttable designs without having to buy a cartridge
- Use the Silhouette with your home printer to create detailed, full-color cutout designs

New Silhouette starter kits

Four new starter kits contain everything you need to get started with a new craft from cuttable materials and useful tools to exclusive downloadable designs and instructional DVD.

- Rhinestone starter kit
- Fabric ink starter kit
- Heat transfer starter kit
- Vinyl starter kit
